Footsteps In Time

As we walk through the past,
We realize how time has gone so fast.

It's always there to remind us
There are both good and bad times behind us.

And as we walk, our mistakes are corrected.
And with photos and memories good times are
collected.

Our footsteps now lead us out of the past
And into the present.

The present is a time for living.
For working toward our goals and thanks giving.

It's a time which requires many decisions,
A lot of work and foreseen visions.

We often find ourselves walking astray,
Trying to decide which is the right way.

By Peggy Karr

Once our footsteps have decided which path to take
Our future is then at stake.

The future seems so far away,
Yet we think of it each day.

It's something to keep reaching for,
Yet we'll never touch, there's always an open door.
The future is always there; at least we hope as much.

Our footsteps have found:

Without the past
We'd know not how to walk,
Without the future
We'd know not where to go.

We Dedicate Our Book To . . .

Mrs. Maurietta Cusey

Mrs. Cusey has taught home economics and vocational education for twenty years, and she has made the department one of the best in the state. She has served as F.H.A. State Advisor, has been Teacher of the Year, and has worked on much of the State Curriculum. She has also served the community as County Home Extension Advisor, 4-H Leader, and adult education teacher. She was made an honorary F.F.A. member in 1974.

Mrs. Audrey Reynolds

Mrs. Reynolds has been secretary for nine years, serving as grade school secretary and then as unit secretary. She was made an honorary F.F.A. and F.H.A. member in 1975. She has been a great help to the school in every department.

Mrs. Elsie Kaufman

Mrs. Kaufman, being Wapella's first kindergarten teacher, has taught six years and has done a fine job. She taught in Downs and had her own private kindergarten in the Heyworth Christian Church before joining the staff in Wapella.

During the year "74 & 75" Student Council has held many different activities for the students. These activities include: Halloween and Christmas parties, Homecoming activities, and Student-Faculty game.

As president this year Richard Welch did a fine job organizing activities and providing leadership. We would like to give a special thanks to Richard and his officers.

This year the NSH got involved with a project of repairing and cleaning the class pictures from 1922 to 1953. Due to a lot of hard work and determination, the pictures were completed for Homecoming. The formal installation of five new members took place on March 3rd. They will be expected to keep up the good work next year.

With respect from all who know you, we wish you, Mrs. Cusey, an enjoyable retirement. Thank you for your time, effort, patience, and for your devotion to the Future Homemakers of America.

The Wapella FHA-HERO Chapter is part of a National Organization whose members are students in Home Economics or Home Economics Related Occupations. The activities of the organization are based on a common goal and eight purposes. In planning the program for the year, the executive council includes service, educational, and recreational projects. For service the members collect for Unicef, sell stationery for Muscular Dystrophy, and visit the Nursing Home. Speakers and panel discussions at the regular Chapter meetings, at the Section Rally at State Conference and at National Meeting are part of the method for carrying out the education of the members. The recreational projects include the banquet for parents, the tea for Mothers, the initiation for new members, and the Hamburger Fry and Sweetheart Dance sponsored jointly with the FFA.

The National FFA Organization was launched at Kansas City, Missouri, in November of 1928 following many years of local agriculture clubs in high schools in the United States and was incorporated under a National Charter by an Act of Congress in 1950 (Public Law 740, 81st Congress). The National Organization has approximately 450,000 members in 9,000 local chapters in all the states of the Union, Puerto Rico, Japan, and Great Britain. Illinois has more than 17,000 young people in FFA chapters with the Wapella Chapter having 28. The motto is "Learning to do, doing to learn, earning to live, living to serve."

The purpose of the Student Action for Education is to acquire more knowledge of the responsibilities and the rewards of the teaching profession, to obtain a better understanding of the Wapella School and its particular educational system, and to set an example of cooperation among students, teachers, and administration. The activities that correlate with this purpose are: student teaching, activities during National Education Week, visits to colleges or businesses, and fun things like Christmas parties and pizza parties.

In G.A.A. the girls participate in various sports and activities such as bowling, skating, swimming and softball. We try to create enthusiasm in good sportsmanship.

During the fall the Science Club was involved with a money making project and a field trip to Weldon Springs.

These enthusiastic artists help to brighten the school by sponsoring a Karate assembly, and decorating the halls with artistic work.

To keep the school on its feet, they have to have a lively group of hall monitors. Collecting absentee slips, rounding up teachers who have phone calls, and any other errand is part of their job. If not on the job, they may get a little studying done.

Every hour of the day there is a faithful librarian waiting to assist you in any way. They check out books for you, help you find materials you are looking for, and keep the books in order.

We didn't think anybody was watching!

BEST TIRE CO. — CLINTON

The scene was set. There was a mad murderer running loose in the city of London looking for his next victim. The Ralston's had just opened Monks-well Manor as a guest house. The suspicious characters who had arrived would be there for days because of the howling blizzard outside. This was the perfect time for the murder of Mrs. Boyle. When the detective came to investigate the case, everyone cooperated. However, the ending chapter took a surprising turn when the convicted murderer was not the butler but the DETECTIVE.

WAPPELLA MEETS BEASON IN HOMECOMING MATCH

The Pom Pom Girls

The Wapella Wildcats were determined to make this game a win for Homecoming, but they couldn't seem to overpower the Yellow Jackets of Beason being defeated 74-57. With the score 25-20 in the second quarter, Beason pulled away from the mighty Wildcats who put up a good fight to the end. Kevin Thorp turned in one of his finest performances of the season with 36 points. The Junior Varsity played an outstanding game against the Yellow Jackets, winning 49-45.

The Pom Pom Girls gave a fine performance as usual at half time. The Homecoming Court was introduced with each queen candidate receiving a Homecoming mum from the Student Council. Even though we didn't win the game, the Homecoming spirit was still alive thanks to our great group of cheerleaders.

Linda and Mike

He's the sweetest thing I know of, just spendin' time with you,
burning and supper on the stove and the light in your eyes that

Hey its good to be back home again; Sometimes
hey, its good to be back home again.

Pop's Pop Shop is the local hangout for the kids at Herbert Hoover High School. It is there where the plot thickens and Corndoggie tells of his uncanny ability to have dreams that always come true and the many problems that develop as a result of it. If he stands Betsy Lou up for the big prom, will he lose her to Forrest Barrett? But what if he goes? What about the dream?

YOU'VE GOT A FRIEND

When you're down
and troubled and
need some love
and care and no-
thing nothing is
going right close
your eyes and
think of me and
soon I'll be there
to brighten your
darkest night you
just call on my
name and you know
wherever I am I'll
come running, Winter,
spring, summer or fall
all you got to do is
call and I'll be there
